Freelance Videographer/Editor

Taylor

Produce original video content with clients as a freelance creator. Experience with a multitude of cameras including Canon, Sony, and BlackMagic brands. At the request of the client, I would film an event/commercial to their specific needs and edit multiple cuts using Adobe Premiere Pro, After Effects, and DaVinci Resolve.

Production Assistant

Seventy 7 Productions, Royal Oak

This position began as an internship which turned into consistent freelance jobs. At the request of the crew I would complete all tasks, including building sets, lighting stations, and helping with everyone's tasks. Collected orders at the client's request including food and coffee orders. I turned into the key-production assistant in November, 2022 in which I would lead and organize other production assistants on set.

Professor's Assistant

University of Michigan-Dearborn, Dearborn

My responsibilities involved assisting Professor Jennifer Proctor in every task she required. Assist with her lecture plans and would add my experience on her lectures for class JASS 350 (Digital Film & Television), help students with their questions, and with their projects if needed.
